

Insider's Trip to Napa Valley

Sip and swirl your worries away on an adventure of a lifetime in Napa Valley wine country. Some of Napa's finest wineries will open their doors to you for VIP tours and private tastings of wines and culinary delights. When it's time to relax, retreat to your private, beautifully-appointed, wine country guesthouse, which is furnished with antiques and collected original art and located on a quiet country road just outside St. Helena. What better way to wind down from the day than with a game of bocce played on your private court, glass of wine in hand, on the edge of a world-class vineyard?

Includes private guest accommodations for 1 couple for 3 nights, plus experiences with the following wineries:

BURGESS CELLARS

A visit to Burgess Cellars begins 1000 feet above the valley floor, with a panoramic vista that offers real perspective on the Napa Valley. The conversation will begin overlooking their circa 1870s vineyard, and you'll learn the history of the prestigious hillside and their family winery of forty-five years. Once in the barrel room, where they present their wines, your Hospitality Ambassador will share with you the past, present and future of Burgess Cellars wines.

FLORA SPRINGS ESTATE

Enjoy a private tour and tasting at Flora Springs Estate, featuring a look into their winemaking practices and family history. Sample straight out of the barrel located in their hillside caves and conclude with a seated tasting of Sauvignon Blanc, Barrel Fermented Chardonnay, Napa Valley Cabernet Sauvignon and their flagship wine, Trilogy.

SILVER TRIDENT WINES

Join our friends in their beautiful, Ralph Lauren-designed Yountville tasting salon for a sampling of their delicious wines, paired with an inspired selection of canapés by Chef Sarah Scott. You'll learn all about wine and food pairing in the most beautiful of settings.
